					The archaeological area of Agrigento is extremely well-preserved for a tow founded in 6th centry BCEI The set holds grand Doric temples, many of which are still largely intact and represent some of the best maintained architectural monuments to ancient Greek at and culture today. As one of the top cities of the ancient Mediterranean region, the ancient city of Akragas (Agrigento) gives modern visitors a glimpse into past Greek civilization. Selected excavated areas shrine light on the later Helenristic and Roman town and the burial practices of its early Christian inhabitants. It was insurbed as a Quinescownfidheritige site in 1997. If you were find yourself exploring the southern coast of Sicily, this is one site that you can't miss out on! #unescownfidheritiace #flax# WINESCO #flatia #Agricento #Archaeology
